CIRCULAR N° SOL 010

Rev. 1 dated 20th July, 2006

VESSELS NOT SUBJECT TO ISM/ISPS CODES OPERATED NEAR OIL RIGS OR IN HIGH RISK AREAS

**TO: SHIPOWNERS & SHIPS' OPERATORS & MANAGERS
SURVEYORS TO FLAG STATE ADMINISTRATION
CLASSIFICATION SOCIETIES**

Monaco, 30 May. 06

The present Circular will enter into force upon first Class Renewal Survey of the ship completed after the 31st December 2006.

All vessels not subject to ISM and/or ISPS Codes, operating near oil rigs and/or in areas at risk, should comply with the provisions of the ISM & ISPS Codes. Relevant Statutory Certificates must be available on board.

In order to determine or identify "areas at risk", the local nearest to operating area(s) authority(ies) may be contacted by the Company operating the vessel or the Flag Administration.
