Maritime Regulations

Implementation Workshop ILO Maritime Labour Convention (customised programme for St. Vincent and the Grenadines Maritime Administration)

Content

This workshop offers explanations and answers for compliance with the ILO Maritime Labour Convention, 2006 (MLC 2006). The requirements will be analysed in detail and the relevant information for ship's crew, ship managers and crewing managers will be discussed. Particular attention is paid to those areas of MLC 2006 where individual conversion of St Vincent and the Grenadines Flag Administration is expected.

Course objective

Acquisition of detailed knowledge about requirements of the Maritime Labour Convention, 2006 and understanding of how the requirements can be implemented with particular focus on ships below 500 GT and Commercial Yachts.

Emphasis

- Background and development of MLC, 2006
- Structure and contents
- Requirements for ship managers, crewing managers and the operation of ships
- Implementation in daily practice
- Approaches for the implementation aboard and ashore
- Certification and monitoring
- Focus on Yacht Management activities and on St. Vincent and the Grenadines Flag Administration requirements (through analysis of DMLC Part I and relevant Flags State circulars).
